

SIX SENSES SPA

ZIGHY BAY

REFERENCE LETTER FOR SABINE KAUKER

It is my pleasure to issue this reference letter for Mrs. Sabine Kauker who has been working with us at Six Senses Zighy Bay from 8th February – 7th March 2019.

Sabine has performed during her stay the following treatments to our guests:

Sabine's Signature Treatment (custom fitted Traditional Chinese Medicine Treatment – elements chosen amongst Detailed Anamnesis, Chinese Foot Reflexology, Tuina, Chinese Nutrition & Qigong exercises)

Chinese Foot Reflexology

Deep Tissue Meridian Work

Meridian Lifting Facial & Head Treatment

Chakra Point Treatment

Raindrop Technique

Coaching

Sabine performed her treatments, workshops & activities at any time to the highest standard and delivered an exceptional client care to all of our guests which reflected on a full daily working schedule.

Sabine understands with 20 years of working practice to use her gifts and living her passion: to assist everybody in activating the self-healing process and finding a path leading to inner peace and harmony.

Economically Sabine has proven again this time to even enlarge an already high set budget and I would like to thank her for supporting our Spa in the way she did – you can be assured...SHE WALKS HER TALK!

I highly recommend to have her services whenever you find the opportunity to catch an open time slot as she is nearly travelling non-stop around the globe with her unique tool-box.

We are very pleased she will join us again in December 2019.

If you need any further information, please do not hesitate to contact me.
