REFERENCE FOR SABINE KAUKER

To whom it may concern,

I confirm that Sabine Kauker was employed as a Visiting Practitioner with Six Senses Spa on Soneva Fushi Resort in the Maldives from 2 October 2007 to 27 November 2007.

Sabine has proven herself to be a highly adaptable professional with commendable initiative in driving her own business and promoting the spa as a whole.

While here Sabine offered guests a wide range of wellness modalities including Lomi Lomi Massage, Ear and Stomach Candling, Kahi Loa Massage, Reflexology, Shiatsu, and Reiki.

Sabine taught Reiki 1 and qualified 13 spa hosts in this course with great success.

Sabine shows great pride and enthusiasm in her profession and is a positive motivator for both guests and hosts alike. Sabine shows a great deal of respect for all fellow hosts and treats all people with care and genuine attention.

In her short time with us Sabine has made a positive and memorable impression for all who have worked with her. I would highly recommend Sabine to any establishment that wishes to employ a credible practitioner and look forward to welcoming her back here to Six Senses Spa at Soneva Fushi.

Kind regards
